Hi David,
Yes please provide some preferred dates and time. Since we are no longer allowed to use doodle poll it makes scheduling somewhat cumbersome.
Thank you
Sheila

Sheila - Michelle has asked me to participate in and coordinate with the Corps on the in the Pebble pre-application teleconference/webinar you are organizing. I plan to be in the office the entire week of December 18 and can check on the availability of other key EPA staff on Monday. Would it be helpful for EPA to propose some preferred times? Please let me know how you'd like to proceed.
